

POSITION VACANCY

Allied Health Therapist – Physiotherapist or Occupational Therapist Aged Care - Adelaide

- Full time or part time (as negotiated)
- Dynamic, innovative & welcoming workplace
- Aged Care Services Adelaide Metropolitan Area

The Society of Saint Hilarion Inc Aged Care is a not for profit organization providing Residential Aged Care and Community services for 30 years. As a result of service growth, we are seeking a permanent, full-time or part time Occupational Therapist or Physiotherapist to join Adelaide's most innovative Allied Health Team. This role will offer exposure to a broad clinical landscape as you will be delivering services at Residential sites, Home Care and also oversee a wide range of Wellness programs.

Your role will see you conduct assessments, treatments, rehabilitation and be actively involved in the development and promotion of new programs and services. At your disposal will be an Allied Health Office and State of the Art Gym Equipment within our residential care sites.

Working closely with the rest of the multidisciplinary team, you will also be supported by our award winning Allied Health team. Regular face-to-face supervision will allow you to excel in your role, and to develop your career as you will be actively involved in current and new service development initiatives.

Previous experience in an Aged Care environment is desirable, but recent graduates seeking a career in Aged Care would be very welcome. Although a full-time position is on offer, we would also consider applicants seeking a part-time role.

Additionally, to succeed in this role you will also have:

- A Bachelor of Physiotherapy or Occupational Therapy and current AHPRA registration
- Current or willing to undertake a National Police Clearance
- Evidence of the right to work in Australia
- Hold an unencumbered SA driver's license
- Excellent written and verbal communication skills.
- Strong problem solving skills and strong time management skills.

If you would like to join our team we will provide you with

- A progressive and agile work environment where you will be supported in your learning and leadership of new initiatives
- Working with a team of dynamic decision makers and will be mentored as part of your development

- A work environment that supports high practice standards and has the available resources to implement new ideas and systems
- A range of wellbeing programs for staff and an in-house gym
- A competitive salary and salary sacrifice benefits
