

Happy New Year

On behalf of our Residents, staff and Board members, I would like to wish you all a very happy, safe and prosperous New Year. I hoping that you had a wonderful Christmas with your family and friends with time to rest as much as celebrate this important time of the year.

We are hoping that everyone will enjoy a number of initiatives that have been planned for the new decade but most of all I am very much looking forward to continuing to work with you for the benefit of all.

I cannot emphasise enough how important volunteers are to our organisation and how grateful we are that you are willing to give up your time to make Saint Hilarion Aged Care what it is today.

Volunteers of the month

While everyone's work is crucial, we are hoping each month to focus on contributions by one or more of our Volunteers. This month, we are acknowledging in particular the ladies that run Dolce Sante (pictured right). Residents and staff alike love the traditional biscuits and cakes that these ladies are well known for. All of our waistlines have increased just slightly because the delights from the kitchen are so hard to resist. Thank you to one and all for bringing a taste of Italy to everyone.

Some important news

Have you heard about our pet program?

Our efforts to ensure pets are part of peoples lives continue. The latest additions are of course chickens just outside of the Green dining room, and our request for a Guide Dog has been accepted by Guide Dogs Australia. We are therefore looking forward to welcoming a Labrador to the Seaton facility hopefully very shortly.

Next on the list? Well it has to be Fulham. We are talking with the staff at Fulham about building a chook run out the back of the community area in the very near future and..... we are speaking with Guide Dogs Australia to see if we can order our second Labrador in the first part of 2020.

Are you interested in helping us raise funds for Dementia Australia?

The Society of Saint Hilarion Inc. are organising a team to take part in Dementia Australia’s Memory Walk and Jog to be held on 29 March this year and we would love you to join us.

A few kilometres and a morning of fun, friends and family can raise funds that help people living with dementia.

You can run, jog or walk anywhere between 3kms and 10kms – its up to you. More information on this event can be found on the Dementia Website <https://www.memorywalk.com.au/event/adelaide> and if you are interested in joining our team on the day, please contact Marta on msilva@sainthilarion.asn.au.

Have you seen our renovations and refurbishment?

We have had lots of positive feedback on our Fulham renovations and Seaton furniture refurbishments from Residents, Volunteers and staff.

We are hoping that these changes are making everyone’s lives a little more pleasant. I think you will agree that the staff involved hav done a great job.

Next on our list? Well we are about to start an upgrade of the units at Fulham as well as lighting and lifts at Seaton so stay tuned.

Please contact Reception on 8409 1500 to check that we have the correct and up to date information for you. We are missing contact phone numbers, email addresses and home addresses for a number of our Volunteers. Thank you.
