

Dear Resident, Relatives and Friends

You may have noticed a few changes at our facilities, not the least being that our staff are wearing masks. This additional precaution will help to keep the people we all care for safe. We were all worried however, that wearing a mask may be quite distressing for some. We are however, very pleased to say that no one has been upset by the face covering and a couple of the people we care for have shown their support by wearing a mask themselves. Thank you to all for your understanding.

Dr Carol Davy

Fathers Day at Fulham

I was delighted to be invited to Villas Has Talent Fathers Day show. While everyone had such a wonderful time, with comedy, singing and dancing. I am sure the fathers in the audience felt very special with gifts for all. Thank you for a most enjoyable afternoon.

Fathers Day at Seaton

Fathers Day at Seaton was a primarily male only affair with the men out supervising a BBQ followed by a silver service lunch in La Strada. Obviously, invitations were limited for ladies with a couple of Leisure and Lifestyle staff involved to be at the beck and call of the men. I have heard however that everyone had a great time.

Our Pop-Up Kitchen

Our pop-up kitchen events are becoming quite popular. This time we had one of our beautiful staff members, Chalernporn in the kitchen teaching us how to prepare some popular Thai dishes. People are already asking for a repeat performance, so I am sure that we will be able to have some more tasty Thai treats soon.

The question that everyone is asking – who will be the next pop-up kitchen contestant?

Return of Our Bus Trips

Everyone I have spoken to has been delighted with the return of our regular bus outings. With the cold weather this has mainly involved trips along the coast and even into town to see how things have changed. As the weather warms up, we of course will be ensuring that everyone gets out and about as much as possible.

Radio Italiana

We are pleased to say that we are working with Radio Italiana to present information to the Italian Community about wellbeing. Every other Wednesday at 11am you can hear our health professionals discuss how to improve your physical, emotional, spiritual and social wellbeing. Next Wednesday the 9th September you will hear from Andrea Planamente who will be discussing emotional wellbeing and on the following fortnight our allied health staff will discuss the benefits of exercise.

A New Website Coming Soon

We are delighted to say that we are about to launch our new website with additional features including easy navigation. I cant give too much away at the moment but I can say that it will be worth visiting as soon as it is launched. Stay tune for the notification on facebook and Instagram.
