Hello to Society of Saint Hilarion Aged Care residents, relatives, and representatives,

I hope this letter finds you and your loved ones well.

This letter is to update you with the status at the House of Saint Hilarion - Seaton and Villa Saint Hilarion – Fulham.

Please note, this letter provides several pieces of information.

- **Gardening Club.**
- **COVID-19 Update.**

Newsletter Sponsorship

At Saint Hilarion Aged Care we send out monthly newsletters to residents and their families, as well as Staff and volunteers. We have been approached by businesses to sponsor our newsletters, which we will begin to do in 2023. We send out monthly newsletters to an audience of approximately 1000 people, which includes residents, family members, representatives, staff, and volunteers.

If you would like to advertise your business as a sponsor of a resident and/ or staff newsletter, please get in touch with a return email to me and we can discuss.

Gardening Club

Do you have a green thumb and some spare time?

We are looking for volunteers to help in keeping our magnificent gardens at both Seaton and Fulham looking beautiful. If you are interested in donating some time to help our regular gardening volunteers, Peter and Angelo with garden maintenance, it would be greatly appreciated.

Please get in touch if you can help!
