Meet Some of Our Team

Over the past few of months the Community Care Team has has grown so we thought it might be nice to introduce some of our staff that together ensure you receive a quality service.

Most of you will have met or spoken to Michelle and Nina who continue to do an amazing job.

You may have also met or spoken to Milani Arachilage who recently transferred from House of Saint Hilarion to Community Care. Milani is a long-term staff person within Saint Hilarion and her knowledge and keen skills are an asset to the Team.

We are delighted to welcome a Registered Nurse/Coordinator to our team. Julie Phillips commenced recently and comes to us with a wealth of experience in the UK and for the past 10 years here in South Australia.

Melissa Pollard is an Enrolled Nurse who has also recently joined our team. Several clients have already met Melissa and many more can look forward to meeting her soon. Melissa has been employed in Aged Care for over 7 years.

All our new staff are extremely excited to meet Saint Hilarion clients over the coming months. We know you will welcome and embrace our new Saint Hilarion Home Care team.

We look forward to introducing more of our team in the next newsletter.
