Putting a Smile on the Faces of Children in Hospital

Thank you to the wonderful band of men who are using their skills to put a smile on sick children who are forced to spend extended time at Women's and Children's Hospital. A group of men have volunteered to paint wooden toys that will be delivered to the hospital shortly. I know some of the kids are already excited about the expected gifts.

Geoff, featured in the photo above, has also made Bertie's day (my little dog) by painting this beautiful garden scene on the 'dog' gate to my office. Not only does Bertie get to enjoy the colour picture but Liam also popped in and was very impressed. Thanks Geoff!!

This year we are focusing on appreciating the things that are important to us. You will find our "Gratitude Tree" at The House of Saint Hilarion in La Strada and at the Villa Saint Hilarion in the community room. Clearly, we have a lot to be grateful for and everyone is enjoying reading everyone's contribution.

Love is in the Air

Last month we also celebrated Valentine's Day. Everyone enjoyed the wonderful afternoon tea and a photo opportunity.

Getting Out and About

We are so fortunate to live in South Australia and people are making the most of being able to once again get out and about. One of the trips in last few weeks has been to the Lockleys Hotel for lunch and the pokies. I am not sure if anyone was a winner but I do know that everyone thoroughly enjoyed the outing.

Some New Additions to Our Activity Schedule

On top of our normal daily activities, we have some great special events this month including:

- The recommencement of library visits
- March Concert - Frank Ferraro Concert
- Irish Dancing
