Dear Residents, Relatives and Representatives

Re: Advertiser Article Dated 30th August 2021

You may have seen in today's Advertiser an article relating to 16 Aged Care Services in South Australia that have non-compliance notices issued. The Villa Saint Hilarion has been named as one of these 16 homes.

Firstly, we would like to assure Residents and their loved ones that the information relating to the Villa is incorrect in relation to the number of non-compliant standards. This information has come from the My Aged Care Website which is out of date. We are requesting that the Commission rectify this matter as soon as possible

While the Villa Saint Hilarion is partially non-complaint in three standards, The Society of Saint Hilarion Inc. is working hard with the Commission to ensure that the Villa is compliant in all areas. The Board, Management and staff remain committed to providing high standards of care to our residents. Importantly, the health and wellbeing of everyone we care for will continue to remain our top priority.

Yours sincerely

Dr Carol Davy
