

Dear Volunteer,

Thank you for your hard work since the return of volunteers to our organisation. I know that your work has been greatly missed and our fingers are crossed that apart from the most recent 7-day lockdown, the people we care for can continue to benefit from your presence.

The following are a few photos that capture just some of the work that our volunteers are undertaking. Apologies to those hard workers that were missed out but rest assured, your photo will be featured in the next newsletter.

New Requirement for COVID-19 Vaccination

From 17 September 2021, COVID-19 vaccination will be mandatory for all residential aged care workers including volunteers. By the 17 September you must have received a minimum first dose of a COVID-19 vaccine.

It applies to all people working at a residential aged care facility, including volunteers, who are responsible for:

- resident care
- support and services for residents
- maintenance, gardening and administration
-

If you are having trouble accessing the vaccination or would like more information about this requirement, please do not hesitate to make a time to speak with the CEO on 08 8409 1500.

Save the Date

September Tuesday 21st at 9:30am we will hold a meeting and light lunch to say thank you. This is both an opportunity to socialise, catchup on any updates in relation to volunteering and provide us with feedback.

Welcome Back on Monday 2nd August 2021

Providing everything goes well, we are so looking forward to welcome volunteers back on-site next Monday 2nd August. In the meantime, please stay safe, well and warm.

WELCOME BACK
