

The Sopranos Piano Accordionists

We are planning some social events and information sessions to be held in the coming weeks. You may have an invitation with this newsletter but if you don't, we will be sending you one soon. The social event is an afternoon tea including entertainment by The Sopranos Piano Accordionists and will be a chance to see old friends and meet new ones. This will also be an opportunity to get some information about the services you can receive from your Home Care Package.

The information sessions will be held in the evening and will be a chance for the people who support you to make decisions about the services you receive to get the same information. We look forward to seeing you there. If you can't attend your coordinator will be able to pass the information on to you.

Tempo Mio Returns

As we told you in our last newsletter, Tempo Mio is up and running again. People who participate in this day program can enjoy lots of activities including bingo, bocci, cards, bus trips and concerts. The Community Care Team continues to grow so let us introduce the new members of our team.

As you will be aware by now, we have been joined by Andrew Drummond in the role of Manager, Home & Community Care. Andrew has been with us for a few months having previously worked in a variety of human services programs including Aged Care and Disability for over 30 years.

You may have also spoken to Mara Caniglia who has recently joined us in the role of scheduling officer. Although she hasn't worked in aged care before, Mara has quickly learned her new job and with her excellent organisational skills has become a key person in helping us to ensure we can get staff and services to you when you need them.

We are very pleased to welcome another Coordinator to our team. Vicki Kromer comes to us having worked in aged care for the past 10 years. Vicki is passionate about making sure older people are well supported so that they can live their best life possible.

COVID-19 Update

As you know COVID-19 continues to be a challenge for us all and often impacts on the services we provide you.

We wanted to update you about how we manage services when lockdowns occur. When a lockdown is announced we follow the directions provided by the government. Unless otherwise advised, we will continue to provide all essential services, however there may be times when non-essential services such as maintenance and gardening may need to be rescheduled. There may also be times when staff are required to wear masks while they support you. If you have any concerns about any aspect of your service during these times, please don't hesitate to contact us on 8409 1266
