Internal COVID-19 Rule Changes

We are happy to invite families, relatives, and friends back into our communal areas.

The leadership team at the Society of Saint Hilarion Aged Care believe that this is the next step to opening up for the wellbeing of our residents. This will include using the available entertaining areas, such as our BBQ areas, and we encourage you using them.

The success of the above will rely upon all visitors completing a Rapid Antigen Test (RAT) every time they visit and keeping a mask on unless eating and drinking. We appreciate your cooperation in this regard and helping us minimise any risk of COVID-19 transmission.

Newsletter Sponsorship

We have received some positive feedback regarding the sponsorship of our monthly newsletters. Thank you! Our newsletters will feature our sponsors in the near future...

Found Jewellery

Some jewellery has been found at our Seaton facility. Have you or your loved one lost some jewellery? If so, please call our reception team and they will direct your call. You will be asked to describe the jewellery to determine if it is the jewellery that was found.
