**Monday 18 December 2023**

Dear residents, relatives, and representatives,

This letter is to update you with the status at the House of Saint Hilarion – Seaton and Villa Saint Hilarion – Fulham.

This letter has several pieces of information,

3. COVID-19 Status at Fulham

I wish to thank all of our residents, families, and representatives, for the adherence to our COVID-19 precautionary measures given the significant rise of COVID-19 cases in the wider community.

Please remain vigilant when you, or someone in your household has COVID-19, or you have spent a significant amount of time with a person outside your household who tests positive, you must not enter the facility for 7-days and until you no longer have symptoms. Whilst there is freedom in the community to move around, that is not the case within a residential aged care setting. It is vital that we all work together to keep our residents safe.

**If you, or any one of your loved one's visitors has returned a positive COVID-19 test please let our staff at reception know. It is critical that we ensure your loved one is safe with additional observations for their wellbeing and the wellbeing of all at Saint Hilarion Aged Care.**
