Dear residents, relatives, and representatives,

A happy new year to you all! I hope this letter finds you all well.

This letter has several pieces of information,

1. [Optometry Clinic - Seaton](#)
2. [COVID-19 Vaccination Clinic](#)
3. [Feedback](#)
4. [COVID-19 Status at Seaton](#)
5. [COVID-19 Status at Fulham](#)

I wish to thank all of our residents, families, and representatives, for the adherence to our COVID-19 precautionary measures given the significant rise of COVID-19 cases in the wider community.

If you, or any one of your loved one's visitors has returned a positive COVID-19 test please let our staff at reception know. It is critical that we ensure your loved one is safe with additional observations for their wellbeing and the wellbeing of all at Saint Hilarion Aged Care.

Optometry Clinic - Seaton

We have been advised that our visiting optometrist will be at Seaton on Wednesday 17 January 2024. If you would like your loved one to see the optometrist, please get in touch with Seaton reception. The Fulham optometry clinic is to be advised.

COVID-19 Vaccination Clinic - Seaton

Our originally scheduled November 2023 Seaton COVID-19 vaccination clinic, which was cancelled due to a COVID-19 outbreak will be held within the next month or so. Our clinical team will be speaking directly to each resident and their representative to determine if they wish to have a booster vaccination. The Fulham clinic was held as scheduled.

Feedback

A reminder that we are always wanting your feedback, both positive and negative, in order to help us improve our services. We are committed to working with you to resolve any issue you may have and involve the aged care commission wherever required, and if we cannot appease the situation, for whatever reason, we will assist you in finding alternative residential aged care accommodation for your loved one.
