

The Society of Saint Hilarion

Monday 22 January 2024

Dear residents, relatives, and representatives,

This letter is to update you with the status at the House of Saint Hilarion – Seaton, and Villa Saint Hilarion – Fulham.

This letter has several pieces of information,

1. Aged Care Quality and Safety Commission Accreditation Visit – Seaton
2. Optometry Clinic – Fulham
3. COVID-19 Status at Seaton
4. COVID-19 Status at Fulham

I wish to thank all of our residents, families, and representatives, for the adherence to our COVID-19 precautionary measures given the significant rise of COVID-19 cases in the wider community.

Please remain vigilant when you, or someone in your household has COVID-19, or you have spent a significant amount of time with a person outside your household who tests positive, you must not enter the facility for 7-days and until you no longer have symptoms. Whilst there is freedom in the community to move around, that is not the case within a residential aged care setting. It is vital that we all work together to keep our residents safe.

If you, or any one of your loved one's visitors has returned a positive COVID-19 test please let our staff at reception know. It is critical that we ensure your loved one is safe with additional observations for their wellbeing and the wellbeing of all at Saint Hilarion Aged Care.

Aged Care Quality and Safety Commission Accreditation Visit - Seaton

Please be advised that the Aged Care Quality and Safety Commission will be onsite at Seaton from Monday 22 January 2024 through to 1.00pm Thursday 25 January 2024. They are onsite to audit our operations and determine whether the organisation will be accredited for a further 3 years.

You are welcome to speak to the auditors directly about any of the services offered at Saint Hilarion Aged Care Seaton and it is your feedback that has an impact on their assessment of our organisation and whether we are permitted to continue to offer aged care services. Please see reception staff if you wish to meet with the auditors.

Optometry Clinic – Seaton & Fulham

A reminder that we have been advised that our visiting optometrist will be at Fulham on Wednesday 14 February 2024. If you would like your loved one to see the optometrist, please get in touch with Fulham reception.
