

Monday 14th October 2024

Dear residents, relatives, and representatives,

This letter is to update you with the status at the House of Saint Hilarion – Seaton, and Villa Saint Hilarion – Fulham.

This letter has several pieces of information,

1. [COVID-19 Status at Seaton](#)
2. [COVID-19 Status at Fulham](#)

Please be aware that there are still a number of COVID-19 cases being reported within the community.

Please remain vigilant if you or anyone in your household has COVID-19 or Influenza, or if you have had close contact with someone outside your household who tests positive. You must not enter the facility for 7 days and until you are free of symptoms. While there may be more freedom to move around within the community, this is not the case in a residential aged care setting. It is crucial that we all work together to protect our residents.

If you or any of your loved one's visitors test positive for COVID-19, please inform our reception staff immediately. This allows us to take additional precautions to ensure the safety and wellbeing of your loved one and everyone at Saint Hilarion Aged Care.

COVID-19 & Influenza Status at Seaton.

We have four COVID-19 positive case in the Green unit and these residents are currently isolating within the unit. This therefore means that the Seaton site is in a Covid-19 outbreak. Staff are closely monitoring all residents across the facility for symptoms.

COVID-19 & Influenza Status at Fulham.

We have one COVID-19 positive case who is currently isolating. Like Seaton, our staff are closely monitoring all residents for symptoms.

What does this mean for visitors at Seaton and Fulham?

All visitors must:

- Sanitise their hands and do so regularly.
- Wear a mask and/or PPE when entering a designated **Red Zone**.
- Sign in using Loop learn.
- Sanitise hands again before going beyond the reception area.
- There are no restrictions on visitor numbers at this time.
